## Recording Show 8 & 9 March

The Recording Show gives the opportunity where students can record a song in a professional studio (Exclamation Studios) and even put it on YouTube. It is not compulsory to record a song in order to take part in the concert, but those that have done it before, will confirm, it is one of those “carpe diem” moments—a moment to grab with both hands.

The recordings of songs are available to other students, in this way students have the opportunity to make a little money.

What do I need to know to enter:

- \* A song choice within the chosen theme — Grammy awards.

\*Recording costs—see column to the right.

\* Recording the song on a Saturday in January and February

\* Sell tickets (minimum of 3 per item) for the concerts:

R90 per person and bring your own picnic basket—open for everyone!

Come on—seize the opportunity!
